The Navy League of the United States, Honolulu Council is pleased to invite you to the 20th Annual American Patriot Awards Dinner on Saturday, September 16th, 2023, at the Hilton Hawaiian Village.

Since 2004, the Honolulu Navy League’s American Patriot Award has recognized local leaders who have made significant contributions to our nation and community.

We hope you will join us as we pay tribute to the extraordinary leadership and public service of Admiral Gary Roughead and Mr. Gerry Majkut.

Admiral Roughead is a 1973 graduate of the U.S. Naval Academy. He became the 29th Chief of Naval Operations in September of 2007, after holding six operational commands. He is one of the only two officers in the history of the Navy to command both the U.S. Pacific Fleet here in Hawaii, and the U.S. Atlantic Fleet. As the Chief of Naval Operations, Admiral Roughead successfully guided the Navy through a challenging period of transition in fiscal, security, and personnel matters. He led the Navy through changes in law and personnel policy to draw more inclusively than ever before upon the Navy’s greatest strength, its sailors. In retirement, he serves on many boards and advises several companies in the national security and medical sectors and is the Co-Chair, with his Canadian and Mexican counterparts, of the North American forum.

As President of Hawaiian Dredging Construction Company, Inc., Hawaii’s oldest full-service general contractor, Gerry Majkut is responsible for executive leadership of Hawaii’s largest and most diverse, full-service general contractor. He guides Hawaiian Dredging’s Hawaii and Guam operations with over 900 professional staff to provide high quality construction projects. His 40 years of construction, engineering, and management experience as well as his dedication to key core values of health, safety, environmental,
customer service, and innovation, with a solid commitment to the community has made Gerry one of the most respected community leaders in Hawaii and the Pacific.

Your support of this flagship event will benefit the Honolulu Navy League, a 501(c)(3) non-profit organization supporting our nation’s sea services: the Navy, Marine Corps, Coast Guard, and Merchant Marine. The Navy League serves as a bridge between the community and the sea services, supports the military and their families, and provides youth leadership programs.
